Agreement for Licensing VERSAT-2D Software

The licensee and Wutec Geotechnical International (the publisher of VERSAT-2D software) agree on the following license terms and limitation of liability:

1. LICENSE TERMS

- The order form filled by the licensee forms part of this agreement
- The licensee will not sub-license, sell, rent or lease VERSAT-2D software
- VERSAT-2D software is licensed for professional use in the named organization located at the listed address as provided in the order form

2. LIMITATION OF LIABILITY

Although this software (VERSAT-S2D and VERSAT-D2D) has been tested extensively by the publisher and experience of using it would indicate it is accurate within the limits given by the assumptions of the theory and data used, the publisher (Wutec Geotechnical International) and the author (G. Wu) assume no liability whatsoever with respect to any use of this software or with respect to any damages or losses that may result from such use. Any use of this software to solve problems is the sole responsibility of the user as to whether the output is correct or correctly interpreted or the problem correctly modelled.

In witness whereof, the parties hereto have caused this agreement to be duly executed as of the date and year written:
